LEAD SAFE CERTIFICATION

Susan & Gregg Stropoli, Maryann Priolo
Property Owner

14 Institute Street, Unit B, 83/25
Address, apt./floor, Freehold Borough, NJ 07728

Andrea Trozzi
Inspector/Risk Assessor/name (printed)

Permit No. 035903/ID No. 031522
NJDOH Inspector/Risk Assessor Permit #

Andrea Trozzi
Inspector/Risk Assessor name (signature)

September 29, 2022
Date of Inspection

By signing this Lead Safe Certification, I confirm that I have done a visual inspection of the dwelling listed above; collected any necessary interior dust wipes in compliance with New Jersey Department of Health regulations; and state that the dwelling is free of deteriorated paint upon Date of Inspection. **This Lead Safe Certification is valid for one (1) year from Date of Inspection.**

ACKNOWLEDGEMENT by Property Owner

I, Susan Stropoli, hereby acknowledge receipt of this Lead Safe Certification for my property on
Property Owner (printed)

Today's Date Property Owner (signature)

A visual assessment will not identify the presence of lead, only the condition of the painted surface. Even if the visual assessment indicates that there are no deteriorated painted surfaces, this does not mean that there is not lead in the paint. Painted surfaces must be carefully and safely maintained unless the property was inspected for the presence of lead and no lead was found or documentation is provided showing that the lead was abated.
