LEAD SAFE CERTIFICATION

Property Owner: Meri A. Kurzner
 Address, apt./floor, Freehold Borough, NJ 07728: 20 A Institute Street

Inspector/Risk Assessor/name (printed): Margaret Karl
 NJDOH Inspector/Risk Assessor Permit #: 024875

Inspector/Risk Assessor/name (signature): *Margaret Karl*
 Date of Inspection: 12/6/22

By signing this Lead Safe Certification, I confirm that I have done a visual inspection of the dwelling listed above; collected any necessary interior dust wipes in compliance with New Jersey Department of Health regulations; and state that the dwelling is free of deteriorated paint upon Date of Inspection. **This Lead Safe Certification is valid for one (1) year from Date of Inspection.**

ACKNOWLEDGEMENT by Property Owner

I, Meri Kurzner, hereby acknowledge receipt of this Lead Safe Certification for my property on
 Property Owner (printed)

 Today's Date Property Owner (signature)

A visual assessment will not identify the presence of lead, only the condition of the painted surface. Even if the visual assessment indicates that there are no deteriorated painted surfaces, this does not mean that there is not lead in the paint. Painted surfaces must be carefully and safely maintained unless the property was inspected for the presence of lead and no lead was found or documentation is provided showing that the lead was abated.
